CINCINNATI PARK BOARD

Media Release

Central Parkway Landscape

The Cincinnati Park Board, the City of Cincinnati, and the Ohio Department of Transportation are funding a project to improve the landscape of the medians in Central Parkway along the northern boundary of downtown, which is also the southern boundary of Over-the-Rhine. The project is needed to improve the aesthetics of the parkway's landscape as well as to make the landscape of the islands more sustainable and easier to maintain. The public is invited to an open house to view the conceptual plans for the project and to provide comments to the project designers. The project is directed by the Cincinnati Park Board, which is responsible for the landscape of the Parkway's islands. For more information, call 475-9600.
